Due to the Carona Virus, the 2020 Woodlawn Invitational Croquet Tournament will be a low key event this year but the spirited croquet competition will remain the same as in the past. This format will keep the entry fee reasonable and still provide a little income for maintenance of our facility. Based on that, we will not have our usual opening reception dinner and we ask that all players provide their own lunches and snacks daily. The handling of food is difficult to comply with all the guidelines involved. We have plenty of space to provide for social distancing and the ability for making it safe for all the players and spectators. Any equipment being used will be sanitized before each match begins. The key event that everyone comes for is the spirited competition and that is what the tournament is all about. We hope that you all will enter and join us.

Courts will be open for practice on Wednesday afternoon, July 8, 2020.. Play will start on Thursday morning, July 9 and end on Sunday afternoon, July 12, 2020.. The opening reception to distribute schedules utilizing social distancing will be held at 5:30 PM at the Woodlawn Croquet court . Winners in each flight will have their names engraved on the Chapman/Gould Memorial trophy which will be displayed at the Woodlawn Museum. Trophies will be awarded to the top two players in each flight. If need further information, call Perry Mattson, Tournament Manager at 207-667-9335 [home], 207-664-4822 [Cel], or e mail at newburyneckshore@gmail.com. The Woodlawn Invitational Entry form on line registration is available also at www.woodlawnmuseum.com and click on Events for all the information. We encourage the use of the on line registration format.
